AEMO's Contingency Gas Trigger Notification

AEMO has been notified of a Contingency Gas event at the Sydney hub for gas day 13 January 2016 by Jemena for the Eastern Gas Pipeline (EGP) on 13 January 2016 at 17:45 AEST (6:45PM AEDT).

AEMO considers this event meets the requirement of rule 440(1)(c) due to an issue on the EGP. Therefore AEMO will commence the Contingency Gas process.

The STTM Facility impacted by the event is the EGP. The Sydney Distribution Network operated by Jemena Gas Networks are potentially impacted by the event.

AEMO will convene a Contingency Gas Assessment Conference with the Sydney Hub STTM Facility Operators and STTM Distributor to assess the Contingency Gas event.
